From your brief to your site.

01 Share your brief

Send your IKE references, plans, quantities, budget and timing.
We provide factory options and pricing within 48 hours of a brief.

02 Agree the specification

Review the materials, finishes, sizes and drawings before ordering.
Our 5% sourcing fee is shown on every quotation.

03 Confirm your order

50% deposit, then 30% after you approve a video of your finished goods at the factory, and 20% on delivery.
Your approved specification forms the basis of the order.

04 Plan your delivery

Standard items typically take 10-12 weeks to site.
Allow 12-18 weeks for bespoke items from approved drawings.
